International Women Day Celebration in association with Management Dept. :

On 8 th March, 2022 - On the occasion of International Women's day, WDC had organized program of FINANCIAL LITERACY AND AWARENESS. In collaboration with Ambition learning solution. To have the knowledge about the online financial transactions. Financial literacy would help the women in making better financial decisions and helps in the utilization of financial products and services. It is very encouraging to see that today women are at par with men in all fields but when it comes to financial decision-making, they are still dependent on the male members of their family. So, to create awareness and confidence in women about the online financial matters, the program was organized.. 65 students have participated in the program.
