Class of the Participants	F.Y.BSc, S.Y.BSc and T.Y.BSc
No. of Participants (Student + Staff)	65+07
Objective of the Event	The objective of an industrial visit is to provide an insight regarding internal working of companies. We understand that theoretical knowledge is not enough for a successful professional career. With an aim to go beyond academics, industrial visit provides students a practical perspective of the work place. It provides with an opportunity to learn practically through interaction, working methods and employment practices. It gives an exposure to current work practices as opposed to possibly theoretical knowledge being taught at college.
Outcome of the Event	The students were taken to Atul Generators, Agra where they got to learn about how the different mechanisms of producing generators, the components used and types of generators . Also the students were shown different cultural heritage spots in Agra- Fatehpur Sikri- Jaipur to make them aware about our rich cultural heritage. The students were taken to Jantar Mantar in Jaipur where they were

made aware about the different physical and astronomical parameters that our ancestors have used and which are still valid in present day.
